

Connecting Your DNA Dots

Genealogy and Understanding DNA Matches and Analysis

Wednesday, January 6, 2021

2:00 pm

Virtual Program

GUEST SPEAKER

Eric Migdal

Curious about the DNA tests like 23andMe or Ancestry.com? Have you been tracing your family's genealogical roots? Don't even know where to start? Please join Eric Migdal as he discusses his search for his biological family and how it was enhanced using modern DNA testing companies. Eric will discuss the DNA matches he found and how they were used in his research towards his adoption truth. He will discuss ways to enhance your genealogical research using common techniques and practices, as well as DNA testing companies.
