# Visible Mending with BonnaH Co Fiber Arts: An Intro to Clothing Repair (Virtual)

**Wednesday, October 20, 2021 7:00pm-8:30pm**

Fairfield residents, Bonnie Liang and Hannah Choi, owners of BonnaH Co Fiber Arts are back with another fun fiber arts class for our Take & Make series. This time they'll be teaching a virtual workshop on Visible Mending. If your clothes have holes in them, there's no need to toss them! Mending will save your clothes from ending up in the incinerator and you'll save money!

This Take & Make Workshop is open to all skill levels. The class will introduce various styles of mending and teach one method of visible mending - using a patch! Most supplies and tools needed to mend an item of clothing will be provided before the class. You will need to supply your own sharp scissors and ruler. Registration is required. The Zoom link can be found in the confirmation and reminder e-mails.
