The Opioid Crisis in the U.S.

Tuesday, April 26, 2022

6:30 p.m.

Rotary Room

What's being done about the opioid epidemic and how are pharmaceutical companies, the U.S. health care industry and federal, state and local government responding?

How did the United States get here?

Come join in a discussion to explore these questions and learn more about the rise and response to the opioid crisis.

Presenter Gregory Blakley earned a PhD in Physiological Psychology from Temple University and an MSW from SCSU. He began his career researching brain mechanisms involved with addiction and now provides treatment to people with substance use and other mental health issues.
