

Safe Driving for Seniors

Monday, September 19th
6:30 pm

Fairfield Woods Branch Library

Are you concerned about an older driver?

Join us for an informative presentation to learn more about how to address the delicate and complex issue of a loved one's age-related diminished driving skills. Designed for concerned family members, caregivers and loved ones, you will be provided with a roadmap to help address the issue with tact, compassion and empathy. The older driver's dignity and independence is never unnecessarily jeopardized.

The program will be sponsored and presented by **Harold Spitzfaden of Senior Care Authority** and **Danielle Ramos of Ludlowe Center for Health & Rehabilitation**.
