Shadow People - Hat Man - Men In Black - Call them what you will, they remain one of the most intriguing anomalies in the paranormal. Are they spirits? Aliens? A figment of our imagination? Or perhaps they are something else entirely. A visit from one of these shadow figures is what started Dustin Pari upon his road into the supernatural. Check out this lecture to cast a little light into the darkness and see what lurks in the shadows.

*Dustin Pari may be best known as a paranormal researcher and lecturer due to his numerous appearances on such television programs as Ghost Hunters, Ghost Hunters International, and Destination Truth.
