Woods & Crafts in-person events are on maternity leave for the Summer, but we won't let your creativity subside. Register for one or all three take & make projects and tone up your macramé skills.

You must register for each program individually. Registration begins for all three sessions on May 1, 2023.

After registering for the program, both a confirmation and reminder email will be sent containing any links or instructions needed for the session.

Don't forget to pick up your kit on the designated day! If your kit is not picked up within three days it will be given to the next person on the waitlist. If you need to arrange a time other than the designated day to pick up your kit please e-mail Mary Coe at [mcoe@fplct.org](mailto:mcoe@fplct.org).

If you have trouble with any of the kits, there will be a follow-up in-person program in September to get help with any unfinished projects.
