

Understanding the Paranormal

Special Event with Dustin Pari
"UNDERSTANDING THE PARANORMAL"
Wednesday, October 25th * 7:00 pm

It wouldn't be Halloween season for us at Fairfield Woods Branch Library without a visit from **Dustin Pari**! This lecture tells a bit of Dustin's personal story and steps that he himself took in Understanding The Paranormal. Learn more about how parts of the spirit world are classified, hallmark signs to look for, and what to be aware of. A great lecture for researchers looking to learn more, or just get a bit of a chill up their spine. Dustin is always a crowd-pleaser and we are so excited to welcome him back!

Dustin Pari may be best known as a paranormal researcher and lecturer due to his numerous appearances on such television programs as Ghost Hunters, Ghost Hunters International, and Destination Truth. He has journeyed up and down the road time and time again appearing here, there, and everywhere. Though a well-respected and highly regarded staple of the paranormal event and lecture circuit, Dustin also delivers his entertaining and educational paranormal presentations to colleges and libraries across America.
