

"The Benefits of Trees" with Fairfield's Forestry Committee

Fairfield Woods Branch Library
Sunday, April 7th * 2pm

Join us for this family-friendly event as we explore the benefits of trees with members of Fairfield's own **Forestry Committee**. We will talk about how important trees are to us all and identify some of the trees that can be found around the world and in our town. There will be a hands-on touch station for younger patrons. Everyone will have a chance to do some sketching of trees on the grounds of the Library.

Our presenters will be **Mary Hogue**, Chair of the Forestry Committee, along with committee members **Amanda Ingrassia** and **Ted Luchsinger**, Fairfield Pollinator Pathway Co-Directors.

All programs are free and open to the public.
For more information: fairfieldpubliclibrary.org or call 203-255-7307.
