INTERNATIONAL FLYING SAUCER BUREAU MEET-UP

3rd Wednesday of the month beginning
August 20, 2025

Fairfield Woods Branch Library
Small Meeting Room
6:30 - 7:45 p.m.

Join award winning paranormal historian/author Michael Bielawa as he begins a new organization here at the library focusing on all things Sci-Fi. Members will draw inspiration from the original worldwide IFSB society created by Bridgeport, CT resident Albert Bender. History acknowledges Bender as being the earliest person visited by the Men in Black.

Our first August meeting will be an introductory get-together. Future gatherings will have participants discuss and learn about Sci-Fi and paranormal topics, share ideas and perspectives regarding UFO/UAP and enjoy Film and Literature in a welcoming and open-minding setting.

A possible discussion topic during the first meeting could be 31/ATLAS. Is this newly discovered interstellar object hurling toward Earth of intelligent Alien design?

Registration is required.
