

# Reflections: Growing Up

**Monday, November 17th, 2025 1:00 p.m.**

This interactive, conversation-based program uses images, music from the 40s-60s, and hands-on objects such as historic toys to promote conversation among participants about their childhoods. This program welcomes participants to think about their past and share their memories with others. Objects, images, music, and questions will spark reminiscences and conversation. This engaging program is best suited to individuals with early to mid-stage dementia. Adults only. Registration required.

Brought to you by staff members of the **Connecticut Museum of Culture and History** as part of their Connecticut Culture and History On the Road traveling programs.
