

# TAME THE CHAOS:

# A FRESH START FOR YOUR DIGITAL LIFE

Is "organize photos" at the top of your New Year's resolution list? You're not alone. Most of us are drowning in a sea of digital clutter, but it doesn't have to stay that way. Join Isabelle Dervaux, a photo curator, to learn how to transform your overwhelming camera roll into a collection you actually enjoy. We will discuss how to:

- Clear the clutter: Establish easy "keep vs. toss" criteria.
- Pay less in storage: Learn how to ditch duplicates and useless screenshots.
- Find your favorites: Make your best memories easy to find and share.
